## Organizing For Fire Protection

Thursday evening, in Wesley Hall, Sidney, ratepayers from all parts of the area of North Saanich gathered and listened to a report from the fire protection committee of the Sidney Businessmen's Association as regards the steps being taken to organize under the Water Act, recently amended to permit such an organization without the necessity of forming a municipality.

The hall was well filled with citizens keenly interested in the matter of fire protection and a great deal of informative discussion took place that finally resulted in the decision to proceed to organize, a committee to first consider the details of the budget for a year's operation, the matter of the levy, with due regard as to distance from the fire hall, the absorption of the Firemen's Benefit Association, the question of a retaining fee for firemen, etc.

The members of this committee are:

George Clark, F. J. Baker, Arthur W. Aylard, Dr. William Newton, H. W. Dutton, Samuel Roberts, Stanley C. Lee, Captain Ed. Livezey, Hugh J. McIntyre, chairman.

The total assessment of the area of North Saanich is approximately \$3,000,000, taking in land, improvements and personal property. However in giving the matter considerable thought and canvassing the opinion of many owners of homes, it was found that practically everyone favored a levy only on improvements (buildings). The total value of improvements in the North Saanich area (excluding National Defence Base, two Indian reserves, properties of various religious organizations, post office, customs buildings, docks and wharves of the Dominion Government; office building, docks and wharves of the Provincial Government), amount to approximately \$1,000,000 in round figures.

The meeting was informed that gradually, as more homes are being built in the area, more fires were taking place each year and

that members of the North Saanich Volunteer Fire Brigade were now at a point where considerable sacrifice is made in fighting fires without remuneration.

Since the brigade was organized over five years ago over 100 fires have been fought, only two buildings being totally lost through no fault of the fire brigade, the first loss occurring before the brigade was thoroughly organized and when the pumping unit was frozen during a freak period of weather, and the second loss being due to failure of the water supply after the flames had all but been extinguished.

It was brought out in the discussion that the fire committees of the National Defence Base and the local brigade are conferring with the idea of co-operation in the event of a serious outbreak of fire either at the air base or in the area of North Saanich outside the air base.

Also of interest to owners of homes in the vicinity of the Experimental Station was the announcement that a large tank had been erected on the highest point of the station property and pipes laid to the East Road with proper connection for the firemen to attach hose. The tank has 55,000 gallons of water in it and this is ample to cope with any fire that might break out within three-quarters of a mile of the outlet on the East Road.

The water tank at the North Saanich Consolidated School also has proper connections to connect the fire hose. There are a number of homes in the district with tanks of considerable capacity that have connections for hooking onto. Owners having tanks without proper connections should see that such connections are made for their own safety. There are a few valves available without cost at the fire hall for this purpose. Make the change NOW and play safe!

The above named committee, together with the fire committee, will meet Thursday evening at the home of Mr. and Mrs. McIntyre, Third Street, at 8 o'clock, to try and arrange an equitable system of giving fire protection to every home in North Saanich.

## PATRICIA BAY TEAROOM WILL OPEN ON 27TH

Tuesday evening next, August 27th, at 8 o'clock, the Patricia Bay Tearoom will be opened to you and your friends for inspection and light refreshments will be served "on the house."

You will be agreeably surprised when you arrive (if you go)—for the view from the large plate-glass windows is simply magnificent, the placid waters of Patricia Bay with the range of mountains as a background making a perfect setting.

Jack Greenwood, who has become famous town through the years for his appetizing fried chicken dinners at the Sidney Hotel, is the man behind the idea of establishing the Patricia Bay Tearoom. That the same high class chicken dinners will be served at Patricia Bay as in Sidney is assured, as Rodney Smolser, who has been initiated into the secret art of cooking the chickens in a manner to acquire that famous flavor developed by Mr. Greenwood, is also in partnership in the new undertaking and will be the chef. Mr. Greenwood's business at the Sidney Hotel will be relieved of some of the pressure at times when it seems that everyone in Victoria arrives simultaneously for "another chicken dinner." You need only mention Greenwood's fried chicken dinners to most people in the city and you get: "Oh, yes, we often drive out for dinner," or "some of our friends took us out last week, and were very surprised... what a wonderful flavor... we never tasted chicken with such flavor!" and so on. "There must be something to it, dear reader, for we have been hearing the same story now for years and years." Be on hand next Tuesday evening at the Patricia Bay Tearoom!

## GARDEN FETE ON WEDNESDAY

## Easterners Buy Local Farm Of 300 Acres

Of considerable interest to many Review readers is the announcement that H. M. Hall of Pemberton & Son Ltd., real estate firm of Victoria has just made a deal with new comers to Victoria from eastern Canada for the well known Malamot property, consisting of 300 acres, considered one of the best farms on Vancouver Island, situated on Wain's Cross Road and the West Saanich Road.

There are so many new people coming into the North Saanich area, in connection with the airport and otherwise, that it is getting so that one does not know everybody as in the days gone by.

## BRENTWOOD GIRL MARRIED IN VANCOUVER

BRENTWOOD BAY, Aug. 21.—A quiet wedding took place in St. Michael's Anglican Church, Vancouver, on Wednesday, Aug. 17th, when Evelyn Norma, only daughter of Mr. and Mrs. Lewis W. Goddard, of Tod Inlet Road, Brentwood Bay, became the bride of Frederick Debs Hardy, only son of Mr. and Mrs. A. E. Hardy of New Westminster.

## DANCE OF THE I.O.D.E. ON FRIDAY NEXT

Members of I.O.D.E., Endeavour Chapter, I.O.D.E., will be hostesses to their many friends in the district on Friday night, Aug. 24th, when they entertain at a dance, in aid of their chapter funds.

The dance will be held in the North Saanich Service Club Hall and music, supplied by Len Len Acres' orchestra, will start at 8 o'clock.

## PUBLIC DUMP HAS GONE HIGH BROW!

Page Solomon! The public dump (the nightmare of many local citizens due to outbreaks of fire recently) is now under close scrutiny and care! What's up? Well, you'd be surprised! F. N. Wright, the one-man committee in charge of the public dump, held a meeting with himself and decided that the monkey business down at the dump must be STOPPED! No more dumping all over the immediate neighborhood (practically anywhere but at the dump), no more dumping of hot ashes on inflammable material, no more children playing with matches to see how it burns!

Mr. Wright, since the meeting, has transformed the dump waterfront! How? Well listen:

Mr. Wright has recently observed huge, strange loads of materials, junk, etc., fast accumulating, day by day, and perceived that most of it was coming from the airport. He also noted that in some unexplained manner fires started on the scene and that the fire brigade called again and again until the members of same were well nigh fagged out. A great light dawned—or was it a vision—at any rate Mr. Wright had visions of someone looking after the dump at a small cost to those using same and accordingly transformed the vision into reality by personally interviewing the officer commanding and informing him of the brain wave. The O.C. was sympathetic to the idea and in practically no time at all Mr. Wright had contacted T. Dalton to care for the poor, old, neglected dump. Mr. Dalton will receive 100 percent of the takings of the dump fees for use of same and a few rules have been drawn up as follows:

1.—The dump will be open on week days from 8 a.m. to 6 p.m.

2.—The dump will be closed on Sundays.

3.—No children will be allowed on the dump at any time.

Charges to use the dump are as follows: A full load, 35c; half a load, 25c; minimum charge, 10c. Mr. Dalton went into action on Friday morning on a grand clean-up, in and about the dump, and when ye editor appeared upon the scene on Monday he was dumbfounded. He hardly recognized the premises! What a clean-up! All accumulations "parked" adjacent to the right place have been removed to the proper place, and the old dump has been manicured, scrubbed and made sweet and clean—that is, as sweet and clean as one could expect to make a public dump.

Thank heavens! May the good work continue!

## REX THEATRE HAS HILARIOUS FILM THIS WEEK

An hilariously conclusive proof that "Good Girls Go To Paris" is said to be provided by Molyneux Douglas and Joan Blondell in the new Columbia comedy to be shown at the Rex Theatre, Ganges, on Friday and Saturday, this week. Hailed as one of the gayest laugh romances of the season, "Good Girls Go To Paris" is the second co-starring venture of the comedy team which made last season's "There's Always A Woman" so delightful.

Miss Blondell is seen in the new film as the prototype of many American girls, in that she wants to go to Paris. Miss Blondell, on the other hand, chooses a delightful, unorthodox method of attaining her ambition. She becomes a waitress in a college town tea room, hoping to find a rich college lad whose father will provide the financial backing for her trip by "persuading" her to "forget" the boy. Unfortunately, in addition to this tendency toward giggling, the petite, pert waitress suffers from a strong conscience which prevents her from actually accepting money in order to "forget."

## SETS LAUGH PAGE

Mr. Douglas, who won his comedy spurs in "Theodore Goes Wild" and has since become one of the most sought-after leading men in Hollywood, portrays an English exchange professor who is slightly bewildered at the frenzied activity of a large American university, and completely dumbfounded by the student life, and story, albeit pleasant, antics of the lovely waitress.

## 36TH WEDDING ANNIVERSARY CELEBRATED

GANGES, Aug. 21.—An "Al-fresco" party was given by Mr. and Mrs. F. H. Newnham at their residence, "Orenus," Long Harbour, on Wednesday, Aug. 14th, the occasion being the 36th wedding anniversary of the host and hostess.

Community singing, around a specially illuminated barbecue, was indulged in for some time, Mrs. Goodrich and Dr. Rush leading. Some special community song sheets were provided and all joined with zest in song.

After singing, hot dogs and buns were served, followed by steamed corn. After these refreshments, the guests adjourned to the residence where six bridge tables were soon operating. Mrs. W. M. Mout, Mrs. J. Abbott and Miss Daisy Evans taking the ladies' prizes, and Mr. Napier, Miss A. Lees (playing as a gentleman), and Mr. Goodrich securing the trophies for gentlemen.

Coffee and cakes were served after bridge and the evening was brought to a close by the guests singing "For They Are Jolly Good Fellows."

The pergolas on either side of the residence were tastefully illuminated with colored lights, while the rooms were decorated with a profusion of flowers.

## SAANICH FAIR PRIZE LIST NOW AVAILABLE

SAANICHTON, Aug. 21.—An attractive prize list is now available to all interested and are being mailed, covering the different sections of the North and South Saanich Agricultural Society's annual fall fair to be held Tuesday and Wednesday, Sept. 24th and 25th.

Final arrangements for the fair were made at a meeting of the directors in the Saanich Pioneer Log Cabin on Tuesday evening, last week, the president, George T. Michell, presiding. Before the commencement of the business Mr. Michell spoke briefly regarding the loss which the society had sustained in the passing of Mr. H. E. Tanner, a past president, and at Mr. Michell's request a silent tribute to Mr. Tanner's memory was paid with all present standing.

A committee consisting of J. M. Malcolm, J. A. Nunn and V. E. L. Goddard was appointed to act on behalf of the society to meet the War Savings Committee of Saanich Board of Trade.

Several suggestions were advanced regarding fair activities and improving fair facilities. The gate committee was appointed, and in addition to duty on Wednesday afternoon ("Visitors' Day") would be on duty on Tuesday evening, the 24th. The hall is to be open to the public—in order to allow people to see the inside exhibits at their leisure.

Nine tombola prizes were donated to be given at the annual dance, which this year will be specially attractive and outstanding.

Obtain your prize list and all particulars from the Review Office at Sidney, or from the secretary, Stuart Stoddart, Saanichton.

## MAINLAND GIRL BECOMES BRIDE OF ISLANDER

The honor of having the principal role in the first ceremony ever held in the pretty little new Brighouse United Church, in Richmond Municipality, was bestowed on a bride Wednesday, Aug. 14th. She was Daisy Irene, only daughter of Councillor and Mrs. John Cook of Richmond, and the occasion was her marriage to Mr. Edwin Raymond Parsons, son of Mr. and Mrs. Edwin Parsons of Ganges, Salt Spring Island, at an 8 o'clock ceremony of interest throughout the Fraser Valley and on Salt Spring Island.

Tall standards of vivid crimson gladioli and palms adorned the little church, Rev. Charles Finmore officiated and Mr. Gordon Parsons was his brother's best man.

The bride was a dainty figure in a gown of bridal rose lace over white satin with fan-shaped train.

A white tulle veil held in place by a coronet of orange blossoms she carried far out at the back and she carried a shower of pink rosebuds and swainsons.

A trio of bridesmaids in pastel gowns together with one little flower girl and a wee ring-bearer, preceded the bride down the aisle. Miss Sylvia Harper, maid of honor; Miss Eleanor Wallace and Miss Bernice Foster, as bridesmaids.

Mrs. L. E. Campbell supplied the nuptial music and Miss Margaret White sang "Because." Messrs. Arnold Glazier, Douglas Parsons and Robert Everett ushered the guests to the heather-marked news.

The Landsdowne Clubhouse was a bower of flowers for the reception which followed.

For her daughter's wedding Mrs. Cook had chosen a gown of teal georgette over taffeta with black and silver accessories and a corsage of pink rosebuds. Mrs. Parsons was attired in blue French crepe with grey accessories and a rosebud corsage.

Mrs. W. Tolley, grandmother of the bride, and Mrs. A. Deaville of Esquimalt, presided at the urns while Mrs. H. Harper and Mrs. Frank Hall of Victoria cut the ices.

Reeve R. M. Grauer of Richmond proposed the toast to the bride and Mr. Robert Bridge sang. For a honeymoon on Vancouver Island the bride donned a blue fitted suit with squirrel trimming and to her shoulder pinned a pink gladioli corsage.

Mr. and Mrs. Parsons will reside in their new home on Railway Avenue, Richmond.

## ROYAL VISIT PICTURES TO BE SHOWN AT REX

Those who want to live over again the historic scenes and tremendous enthusiasm which featured the visit of Their Majesties the King and Queen to this country last spring will have those wishes gratified in the magnificent full-length picture of the famous "The Royal Visit" which is to be shown in the Rex Theatre, Ganges, on Friday and Saturday, Aug. 30th and 31st, sponsored by the Ganges Chapter, I.O.D.E.

The picture is taken from the arrival of the Majesty's Empress of Australia, with views of the majestic St. Lawrence, the greeting by the hands of the state at the ancient capital, the military and naval escorts, Boy Scouts, cheering thousands to and through Montreal.

Then the Waterloo is brought in contact again with those unforgettable scenes at Ottawa, scenes on Parliament Hill, at the Trooping of the Colour, the great demonstration by war veterans and other outstanding incidents.

The Toronto visit is brilliantly brought out on the screen, including the civic reception, the march through the streets, the memorable scenes at the running of the King's Plate at the Woodbine races. This graphic visualization is maintained throughout when the King and his consort come to the heart of the West at Winnipeg, receive gifts from the Hudson's Bay Company, mingle amongst cheering Indians and thousands of people Calgary's welcome is spontaneous and the towering glories of the Rockies form a marvelous background to scenes at Banff.

The views at Victoria and Vancouver with panoramic pictures of the harbours are amongst the best of the whole story. The United States visit has its own special flavor, the return to Central Canada and the Niagara and London districts is continued on the same high plane, and the story in the Maritimes with the final sailing goodbyes from the high deck of the Empress of Britain bring a grand picture to a conclusion.

## Red Cross Units To Resume Work Soon

## GARDEN FETE AT "CULZEAN" AIDS RED CROSS

MAYNE ISLAND, Aug. 21.—"Culzean," the home of Lady Constance Fawkes, was the scene of a very successful garden fete in aid of the Canadian Red Cross, Friday, Aug. 23rd.

Tea was served in the dining room, while the fancy work and home cooking stalls, were in the garden.

There were games and raffles. Guesses on a lamb donated by W. Deacon resulted in Mrs. Ralph of Saturna Island winning same. A raffle of a comforter donated by Messrs. Hall and Melish resulted in Miss H. Craddock being the winner, and the beautiful Red Cross cake donated by H. Angus and J. Drysdale was won by Mrs. Petford of James Island. Large box of candies won by Mrs. Quin of North Vancouver, and two smaller ones by Mrs. F. Bennett and a lady visitor at Galiano.

The dance in the evening in aid of the same fund was well attended and much enjoyed.

The sum of approximately \$200 was realized for the Canadian Red Cross.

## SALT SPRING GIRL MARRIES MAINLAND MAN

GANGES, Aug. 21.—At the home of the bride's parents, in a setting of late summer flowers, a quiet ceremony took place last Saturday, Aug. 17th, when, at 2 p.m., the Rev. W. Allan united in marriage Joyce, only daughter of Mr. and Mrs. John Bain of Ganges and Mr. Robert Lesselles of Vancouver, only son of Mrs. F. Lesselles and the late Dr. Lesselles of Vancouver.

The bride, who was given away by her mother, looked most attractive in a gown of soft powder blue silk crepe, trimmed with pale coral pink. She wore a flower hat in matching shades of blue and carried a bouquet of gardenias. The bride was unattended. The best man was Mr. Albert Smith of Vancouver.

The reception, which followed the ceremony, was attended by about 30 guests, who were welcomed by Mrs. Bain, in a gown of pale grey sheer, with navy blue hat and matching accessories. She was assisted in receiving by Mrs. W. A. Bain of Vancouver, aunt of the bride, who wore a smart ensemble carried out in black and white with accessories to match.

The refreshment table was decorated with tall silver vases of pink roses and was centred by a three-tiered wedding cake, surmounted by a small silver arch from which tiny wedding bells were suspended.

Following a honeymoon spent on Vancouver Island, for which the bride left in an afternoon frock of navy blue, with hat, gloves and shoes to match and heavy grey travelling coat, Mr. and Mrs. Lesselles will make their home in Vancouver.

## YOUNG COUPLE MARRIED AT ST. ANDREW'S

In St. Andrew's Church, Sidney, a pretty wedding was solemnized on Saturday evening, Aug. 17th, at 7:30 o'clock, by Rev. T. R. Lancaster, when Mary Elizabeth, elder daughter of Mrs. M. E. Gummer, of West Road, Sidney, and the late Mr. Edward Walter Gummer, became the bride of Roy Harold, eldest son of Mr. and Mrs. Edward Tuttle, Mills Road, Sidney.

Baskets of asters and gladioli in pastel shades of pink with greenery were placed in the church. The altar was arranged with pink and white gladioli and the guest pews marked with sweet peas in pastel shades tied with white tulle.

The bride, given in marriage by a friend of the family, Mr. Frank Edlington, chose as her wedding dress an afternoon frock of pearly grey silk crepe fashioned with panels of Cannes blue, redingote style. She wore a navy blue felt hat, halo styled with veil, and navy blue accessories. Her corsage was of carnations and rosebuds.

Miss Elsie Gummer was her sister's bridesmaid and looked attractive in an afternoon frock of Monterey rose shade silk crepe, with white lace trimmings and small flower hat of matching color and veil. Her accessories were white and her corsage was carnations and rosebuds.

Mr. Cliff Kirkwood of Victoria was best man and the ushers were Mr. Richard Tuttle, brother of the groom, and Mr. Charlie Gummer, brother of the bride.

Wedding music was played by Mrs. Philip E. Brethour and during the signing of the register suitable music was played.

A reception was held following the ceremony at the home of the bride's mother, where the guests were received by the bride's mother, who wore a wine silk crepe dress with cut velvet and hat to match and shoulder corsage of yellow rosebuds. Mrs. Tuttle, the groom's mother, wore a navy blue suit with black accessories and rosebud corsage.

The reception room was attractively decorated with an archway of cedar boughs entwined with gladioli in pastel shades and the fireplace was banked with flowers and cedar boughs.

Contrasting the bride's table was a beautifully decorated three-tiered wedding cake, the work of Miss Phyllis Devoson. The table was set with mauve candles in silver holders and a lace cloth covered the table.

Miss Phyllis Devoson and Miss Frances Lees presided at the urns. The young couple spent their honeymoon travelling on the island. The bride wore a grey plush coat over her wedding ensemble.

Mr. and Mrs. Tuttle will reside at Deep Cove, Sidney.
